Sir:

Pursuant to 37 C.F.R. §§ 1.56 and 1.97(b), applicant brings to the attention of the

Examiner the documents listed on the attached PTO 1449 and respectfully requests that the listed

documents be considered by the Examiner and made of record in the above-captioned

application. Unless otherwise indicated, a full text copy of each document is attached. For

documents not in English, an English translation or an equivalent English language patent or

publication is attached. Each item of information in this Statement was cited in a communication

from a foreign patent office in a counterpart foreign application not more than three months prior to the filing of this Statement.

Identification of the listed references in the PTO 1449 is not to be construed as an admission of the Applicant(s) or the attorneys of the Applicant(s) that such references are available as "prior art" against the subject application.

This submission does not represent that a search has been made or that no better art exists and does not constitute an admission that each or all of the listed documents are material or constitute "prior art." If the Examiner applies any of the documents as prior art against any claim in the application and applicant determines that the cited document(s) do not constitute "prior art" under United States law, applicant reserves the right to present to the Office the relevant facts and law regarding the appropriate status of such documents.

This statement is submitted more than 3 months from the application filing date but before the mailing date of the first Office Action on the merits. In accordance with 37 C.F.R. § 1.98, submission of this Information Disclosure Statement requires no fee. However, the Commissioner is hereby authorized to charge the payment of any fees required in association with this communication to Deposit Account No. 02-4377.

Respectfully submitted,
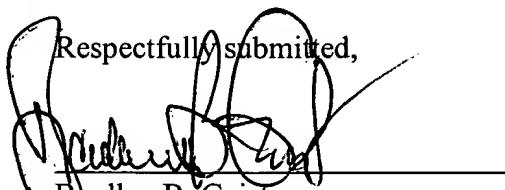

Bradley B. Geist
